

# LIST OF BURIALS – DALE FAMILY

*By Dale Hartle*

This file is a list of burials by town or cemetery for the Dale Family. Compiled from Council cremation and burial records. Overseas burials are listed first, then New Zealand, not in alphabetical order. This is not an exhaustive list as some cremation and burial records could not be found. If you are visiting a particular area or cemetery, you may want to print the page with local burials. In some cemeteries, Councils have not photographed headstones for online use, so if you do visit and take a photo, please email it to Dale Hartle at email [mjhartle@xtra.co.nz](mailto:mjhartle@xtra.co.nz) for reuse and archiving.
